

OKOLONA MESSENGER.

Democratic in Principle, But Independent in Thought and Action. Devoted to Honesty, Truth and Good Government.

VOL. 42

OKOLONA, MISSISSIPPI, THURSDAY, JULY 30, 1914

NO. 31

Southern Cattlemen's Association, meets at Meridian, August 12-13.

West Point, Miss., July 27, 1914

To Cattle Raisers:

It is a source of gratification to observe the progress made in tick eradication work this year up to date. The accomplishment of the results have been attained by hard work and system. We are not perfect by any means but if earnestness of purpose will attain perfection, we have every reason to believe that we are on the right track for efficiency.

Tick Eradication is the foundation on which to build up a cattle industry in the south. How the people will succeed depends largely on the way they get started and how well they act together. The organization of live stock associations and active work by them along constructive lines, planning step by step the development of the industry should do much to promote interest and keep the movement progressing along proper lines.

The Southern Cattlemen's Association is trying to do some for the cattle raisers of the south and should be encouraged in its effort. The meeting at Meridian should be attended by every person connected in any way with agriculture. It will furnish advice and inspiration to all who attend.

Invite every person you come in contact with to come to Meridian, August 12 and 13, 1914.

Cheap excursion rates will be in effect.

Very respectfully,

Dr. B. O. MINGE,

Supervising Inspector

An Okolona Man's Experience

Results Tell The Tale

Read this.

J. W. Sanders, carpenter, of Washington and School Sts., Okolona, says: "I was bothered for a couple of years by back-ache and sharp pains across my kidneys. I was worse at times than at others. By spells, my back was so weak and lame it hurt me to lift anything. My work affected my kidneys, making them weak. My attention was called to Doan's Kidney Pills and I got a box. They did me good right from the start and a couple of boxes cured me. From that day to this, a lapse of five years, I have worked hard and have never felt the least trouble with my back and kidney's. My little boy nine years old, complained of his back hurting him and pain when passing the kidney secretions, his kidneys and bladder were very weak. Three boxes of Doan's Kidney Pills cured him and he has been well ever since."

Price 50 cents, at all dealers. Do not simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Sanders had. Foster-Milburn Co., Props., Buffalo, N. Y. adv.
